6. [redacted] Met with Mr. John Conway and Mr. George Murphy, Joint Committee on Atomic Energy staff, to discuss handling of SNIE 11-10-67. Our final arrangements were that this document plus the Memorandum for Holders, which were left with Mr. Conway, would be read by only three members of the staff, Conway, Rosen and Murphy, and that Conway, in turn, would either brief or show the Memorandum to Chairman Pastore. Conway assured me that he would speak for the Chairman to the effect that before the document was shown to anyone else the Chairman would personally confer with the Director. In addition, it was agreed that within a few days the Agency would pick up the documents and leave with the JCAE an extract of the conclusions.
